DRIVERS' DAY

The apex body of government transport corporations and state transport corporations started a campaign to designate January 24 as Drivers' Day. It has proposed to encourage the passengers to "say thanks" to the drivers of buses, taxis and three wheelers. The concept is to recognise a day for them, to show that the society cares for them and that the society is indebted to them for their positive contribution. Sri J. Krishna Murthy, Principal motivated and encouraged the students of NTR Govt. Degree College, Vayalpad to meet and greet the APSRTC drivers for ensuring safe journey. Drivers at the Bus Station, Vayalpad were greeted with flowers by the Principal, staff and the students of NTR Govt. Degree College, Vayalpad.

REPUBLIC DAY CELEBRATIONS

India won her freedom on 15th August, 1947 and became Republic on 26th January, 1950. The new constitution of free India came into force with effect from this day.
